**Boil Water Notice Rescinded
3/14/2023**

On 3/12/2023, the Texas Commission on Environmental Quality required the City of Ropesville public water system, TX 1100004 to issue a Boil water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of 3/14/2023.

If you have questions concerning this matter, you may contact City of Ropesville @ (806) 562-3531, Cory Needham @ (806) 445-1209, Brenda Rabel (Mayor) @ (806) 562-3531.

On 3/12/2023 the City Secretary and the Mayor issued the Boil Water Notice by contacting the News Stations, posting the notice on the City Website, contacted the City Management Coordinator, posted a note on the City office door. On 3/14/2023 the City secretary took the same actions to post the Rescind Notice. The Secretary contacted the News Stations, posted the rescind notice on the City Website and again contacted our City Management Coordinator. If a customer, individual, or employee wishes to contact the executive director, please call (512) 239-4691.
